

## ***Fellowship Group Homework and Discussion***

### **Getting Started**

1. What are some uncertainties that you have in your life?
2. What responses do these uncertainties cause in your life?
3. What one point sticks out in your mind from last week's sermon?

### **Going Deeper**

4. What do you learn from each of the following passages about God's future shaking of the earth (try to list as many things as possible)?
  - Isaiah 13:13
  - Isaiah 24:18-20
  - Revelation 6:12-17
  - Revelation 16:17-19

5. How would you react and respond if God shook each of the following out of your life:
  - Economic Security
  - Relationship Security
  - Political Security
  - Natural Disasters Impacting You Directly
6. Read Matthew 24:7-8. Birth-pangs give a warning of what is to come. What lesson should we learn from the birth-pangs of uncertainty in our lives?
7. Read Hebrews 12:25-29. What comfort do we receive from a kingdom that cannot be shaken? How does that impact you in the midst of uncertainty?
8. Read Revelation 21-22. List every positive feature of our unshakeable future!

9. A key purpose of our Fellowship Groups is to provide accountability. To help with that, discuss the following questions:
- Have you been making it a regular priority to attend a Sunday morning worship service?
  - Have you been faithful in making Fellowship Group attendance a top priority?
  - Are you praying regularly for the members of your Fellowship Group?
  - Are you caring for the physical, emotional and spiritual needs of those in your Fellowship Group?
  - Are you taking steps to become more transparent with your Fellowship Group?
  - Are you serving regularly in one area of ministry, preferably in your area of giftedness?
  - Are you maintaining your Oikos list?
  - Are you praying regularly for your Oikos list?
  - What have you done this last week to reveal God to at least one member of your Oikos?
