

## Fellowship Group Homework & Discussion

### Getting Started

1. Think of the group you hung out with in high school.
  - Describe that group. What were they about?
  
  - Would you want your kids or grandkids hanging out with a similar group as they navigate the high school years. Why or why not?
  
  - Was this group pursuing God or moving away from God?
2. What impacted you the most from last Sunday's sermon?

### Going Deeper

3. Read Proverbs 13:20. What does this verse tell you about the influence of the people with whom you choose to hang out?
4. In Philippians 3:18-19, Paul lists five summary statements about people who live lives that bring him to tears. Describe, in your own words, these five things.

5. What are the attitudes and actions of people you know who live their lives like this?
6. What are the dangers of soaking with this group of people?
7. Read 2 Timothy 2:22.
  - In whose company are you to pursue a godly life?
  - Why is this important?
8. From Paul's life, what attitudes and actions give him the right to ask people to imitate him?
9. What are the actions and attitudes that you see in people that wants to make you immerse yourself in them?
10. What are the benefits of soaking with this group of people?
11. How can you better influence others to a deeper relationship with God ("up your game")?
12. How do you soak with the right people but still have vital involvement with your oikos?

13. A key purpose of our Fellowship Groups is to provide accountability. To help with that, discuss the following questions:

- Have you been making it a regular priority to attend a Sunday morning worship service?
- Have you been faithful in making Fellowship Group attendance a top priority?
- Are you praying regularly for the members of your Fellowship Group?
- Are you caring for the physical, emotional and spiritual needs of those in your Fellowship Group?
- Are you taking steps to become more transparent with your Fellowship Group?
- Are you serving regularly in one area of ministry, preferably in your area of giftedness?
- Are you maintaining your Oikos list?
- Are you praying regularly for your Oikos list?
- What have you done this last week to reveal God to at least one member of your Oikos?
