***Fellowship Group Homework and Discussion***

**Getting Started**

1. What are the different elements that came together in the process of you coming to know Christ?
  
2. Think of an example where somebody showed you love and it helped you to move closer to God.
  
3. What thought from last week's sermon impacted you the most? Why?

**Going Deeper**

4. Read Deuteronomy 4:5-8.  
How do these verses demonstrate the "come and see" philosophy of evangelism?
  
5. Read 1 Kings 10:1-13.  
How is this a good example of Israel fulfilling its evangelism mandate of "come and see"?

6. God has given us a new evangelism mandate but sometimes we fall back into the old model. How have you seen the “come and see” approach attempted by yourself or churches?
7. Why do you think that the “come and see” model is not effective today?
8. The New Testament commands us to a “go and love” model of evangelism. For each of the five ways that Jesus loved, list one practical way that the church can show love and one practical way that you can show love to your oikos.

9. What is one thing your Fellowship Group can do in the next month to fulfill the “go and love” mandate of evangelism?
10. There are nine excellent questions to ask every time we study a passage of Scripture. Some of them will apply better to one passage while others will apply to another. Pick one of these questions to answer based upon this sermon and your study.
- Is there an example for me to follow?
  - Is there a sin to avoid?
  - Is there a promise to claim?
  - Is there a prayer to repeat?
  - Is there a command to obey?
  - Is there a condition to meet?
  - Is there a verse to memorize?
  - Is there a doctrine to believe?
  - Is there a challenge to face?
- For Deeper Application**  
*Sharing from this section is much more personal and is always voluntary. Only share the answer to this question if you feel comfortable doing so.*
11. What keeps you from actively involving yourself in the “go and love” model of evangelism?
