

This is our daughter Karisa's high school graduation picture. Being do-it-yourself homeschoolers, we held her graduation ceremony at our church June 11th. It was a wonderful time! In attendance were some friends from our church, her homeschool group, supporting churches in the Denver area, her camping days at Woodbine Ranch, and the Alternative Pregnancy Center where she has been volunteering. Shelley's sister Lynn and her husband Jim drove from Illinois to surprise us the afternoon before – just in time for all the set up and food prep! What would we have done without them?! This summer, along with piano lessons, finishing her internship at APC, and her varied ministries at our church, Karisa has begun CollegePlus!, a college program that guides her through life-purpose planning, then studying for, and testing out of, some of the credits for her degree. One morning recently she was on the phone with her Coach for about two hours.

Backing up a bit now - our Easter season was again very special. A highlight of the Service was the sacred dance by six girls plus Karisa, our "Dance for Jesus" team. All the girls are from our church, of course. And all of them are being raised by single parents, three by *single dads*!

During the week before Easter I preached the sermon at Mrs. Ann Grounds' funeral. You may remember that last fall I preached at Dr. Grounds' funeral. Dr. Grounds was the beloved President of Denver Seminary for many years. I was honored to be able to help out the family.

The spirit at our church continues to be good. But some of the problems that many of our families are dealing with are huge, and our attendance has suffered. However, we have seen the Lord at work opening hearts.

- Please pray for those here with serious health issues, including Sheri and her battle with cancer, and Shelley and her battle with the lower back & leg pain left from the car accident. Pray that the insurance company will pay for her ongoing treatments.
- Please pray for those in our church who are trying to overcome their addictions.
- Please pray for the Reading/Tutoring Program going on here this summer.
- And finally, pray for the eleven kids who are signed up for a week at Camp Id-Ra-Ha-Je. They will be going the week of July 17th, Lord willing. Pray they all make it, have a great time & draw close to the Lord.

Praying for you! Thank you so much for making our ministry here possible!

Dennis & Shelley Noble
