*Greetings to our praying friends!  
As the weather slowly warms up, we have  
some exciting things for you all to think  
and pray about with us. Dug*

Here I am with our English student, 'Shane', who has been coming to English class for about 3 months (I met him at our local tea shop). He is a typical Taiwanese "Buddhist." When John 3:16 and the plan of salvation was presented, he said he had never heard about Jesus before. Please pray for Shane's salvation.

## Opportunities for prayer!

I have a new friend, 'Jeremy', who is the uncle of one of our high school youth. He is about 40 years old, and seems to really enjoy his life with his wife & 2 young kids. We meet each Wednesday night for English lessons but also for sharing the Gospel. He is quite open to the Bible lessons and chatting about spiritual things. Pray for his understanding to grow and that he will open his heart to the Lord.

At this time, we are facing a decision about where to go for our next 'assignment'. We have been here in Wufeng now for 8 years. Tho the work is never done, we feel that with a couple of young men in place as interns and church attendance averaging over 40, it seems that it is time to move on. There are a couple of exciting options in front of us that we are praying about and researching, and we really need your prayers. We want clear direction from the Lord so as to make a decision before we return to the States in August.

We are praying for God's provision of someone who can come and live in our Wufeng home from August 1st through the end of May, during our "home assignment." This person or couple could teach English here and help in our church. It would be a great short-term mission experience! Please pray with us about this and contact us if you want more information.
