Women's Ministry  
Director

*Something happens when women get together; it usually falls under the category of fellowship, fun & food. So why, as Christian Women, should we be any different? I think it's time the outside world discovers the source of our joy. Pastor Chris has challenged us to build life-long relationships with our Oikos. We can share the gift God gives each one of us through lunches, brunches, tears, laughter, retreats, Bible studies and time spent together. We would like to provide a venue where someone in our Oikos, who feels they are not ready for "church," might be open to attend one of our activities. And at the same time we can encourage and uplift the women of FBC Prescott.*

*I look forward to getting to know many of you better and working with so many more of you.*

*Come fellowship with us!*

*Jan Braaten*

# Upcoming Events

**March 19, 1 pm**

Mark your calendar, you are invited to a  
"Sisters' Tea"

Please join us for an afternoon of  
Celebrating Sisterhood.

What is a "Sister's Tea?" Everyone is either a sister, sister-in-law, stepsister, half-sister, has a best friend "sister" and, of course, we are all sisters in Christ! Please join us as we take a look at this unique relationship while enjoying delicious food, good fun and fellowship, door prizes and surprises. Our speaker will be **Susie Dandos**, Administrator of CAP and a "twin" sister.

**April 30, 2011**

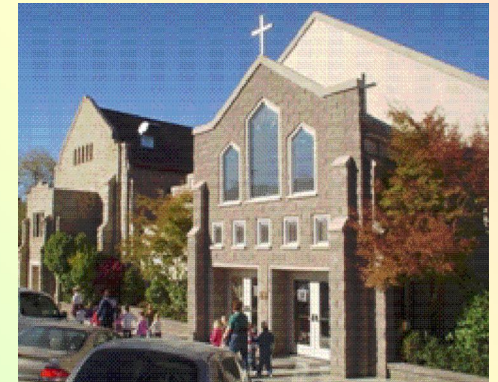

**Missionary Luncheon**

Make plans to join us as we look at the mission field of the American Indian. Tillie Yazzie and Lena Tsosie will share how God is working in the hearts of the Native American. We will enjoy an afternoon of food, fun and fellowship.

Details to come
