thank you

Well the year is almost over and it sure was **an odd one** (as you can tell by the above picture). We are looking forward to 2011 and a **new beginning**. As we look back over the past twelve months we are faced with a **paradox**. On the one hand we do not feel all that great about it all and we seem to have **struggled** through it on a personal level. On the other hand we can't deny **all the good things** that have happened among the young people we minister to. Life can be strange sometimes but we sure do **rejoice** for all these good things and how the Lord has been at work **in spite** of our emotional ups and downs. We want to take this opportunity to **thank you for all you have done for us this past year** and for giving us the opportunity to serve our friends through your faithful giving, concern and prayers. We are **honored** by your investment in our lives and ministry, and we are **very grateful** to you.
